

Bronze ProLevel® 1. This is the first level in the I-CAR NZ training pathway and is designed for those involved with repairing collision damaged vehicles. All Refinishers are required to start with this level. MITO Refinish apprentices who achieve final completion will be awarded with Bronze ProLevel® 1.

In order to achieve Bronze ProLevel® 1, Refinishers require 13 hours of training from the list below.

Bronze ProLevel® 1 requires annual revalidation by completing at least 2 hours of I-CAR NZ accredited training each year.
